

# THIS WEEK IN SPORTS MEDICINE

Your weekly insight to all Sports Medicine educational events at Dalhousie University and Nova Scotia Health!

**NOV 22 - DEC 3, 2021**

## 1. EPISODE OF THE NATURE OF THINGS FEATURING DR. WONG: FRIDAY, NOV 26 @ 9:00 PM

Dr. Wong is being featured in an episode of The Nature of Things where he will discuss surgical innovations and 3D printing. The episode is titled: The New Human and will be airing on the Canadian Broadcasting Corporation on Friday, Nov. 26 at 9 pm. You can view a trailer of the episode [here](#).

## 2. INTERVIEWS FOR THE 2023-2024 SPORTS MEDICINE, JOINT PRESERVATION AND ARTHROSCOPY FELLOWSHIP

On Friday, November 26th, 2021 Dr. Wong, Dr. Coady and Dr. Urquhart will be interviewing candidates for the 2023-24 sports medicine fellowship cycle. Every year we receive 50-100 applications, which then must be narrowed down to 3 successful candidates. (Pictured left are our current fellows Maude and Jose with Drs Wong, Coady and Urquhart)

## 3. ISAKOS GLOBAL CONGRESS CONFERENCE, SHOUDLER INSTABILITY SYMPOSIUM SAT, NOV 27 @ 8:10 PM

Dr. Wong will be presenting an invited **Shoulder Instability symposium** titled: Meet the Experts at the International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (ISAKOS) Conference. Access requires registration to the meeting. You can view all Dr. Wong's event details on the conference [website](#) and register for the event if you are interested.

PLEASE CLICK [HERE](#) FOR THE CONFERENCE SCHEDULE.

## 4. ISAKOS GLOBAL CONGRESS CONFERENCE: ON DEMAND SPORTS MEDICINE PRESENTATIONS: NOV 27-28

Dr. Wong will be presenting a paper titled: Primary Interposition Dermal Allograft Cuff Reconstruction Is Superior To Revision After Failed Cuff Repair: A Clinical and Radiographic Analysis. Dr. Wong will also be presenting a poster titled: Button Fixation Does Not Affect the Learning Curve and Short-Term Radiographic Outcomes for Arthroscopic Anatomic Glenoid Reconstruction with Distal Tibia Allograft. Finally, Dr. Wong will be presenting an Instructional Course Lecture about Bone Loss in Shoulder Instability.

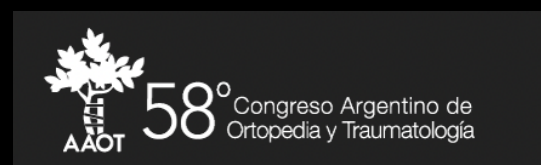

## 5. DUROLANE INJECTION TRAINING OPPORTUNITY FOR RESIDENTS: TUES, NOV 30

Dr. Wong is hosting a Durolane injection training opportunity open to all orthopaedic residents on Tuesday, November 30th. This training is occurring at Apex Rehab Clinic and will focus on hip and knee injections. Any interested residents should RSVP to [research@drivanwong.com](mailto:research@drivanwong.com)

## 6. AAOT PRESENTATION ON ROTATOR CUFF INJURIES: WED, DEC 1 @ 3:00PM

Dr. Wong will be giving an invited talk about Management of Challenging or Irreparable Rotator Cuff Tears: Interpositional Bridging Graft, at the upcoming Argentinian Association of Orthopaedics and Traumatology (AAOT) Conference. Access requires registration to the meeting.
