

THIS WEEK IN SPORTS MEDICINE

Your weekly insight to all Sports Medicine educational events at Dalhousie University and Nova Scotia Health!

MARCH 30 - APRIL 7TH 2022

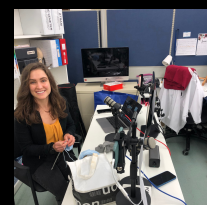

1. LIVE SURGERY BROADCAST: MARCH 30TH, 2022

Dr. Wong hosted a live broadcast of his anatomic arthroscopic glenoid reconstruction (AAGR) technique, live from the OR at Hants. During these live broadcasts, Dr. Wong explains the surgical technique and also talks about the use of interference screws to complete an efficient reconstruction.

2. FELLOW JOURNAL CLUB: MARCH 30TH, 2022

Dr. Wong, Dr. Coady and Dr. Urquhart's fellows: Dr. Kazuha Kizaki, Dr. Jose Castillo and Dr. Maude Joannette-Bourguignon lead a journal club for the Dalhousie Sports Medicine Team about Hip Arthroscopy.

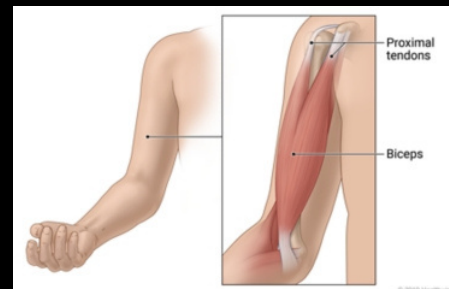

3. AUGMENTED REALITY VIRTUAL LAB: FRIDAY APRIL 1ST, 2022

Dr. Wong is hosting a virtual lab session. He will be teaching fellow surgeons how to complete the Arthroscopic Anatomic Glenoid Reconstruction (AAGR) technique using augmented reality. Of note: this innovative surgical procedure features the use of a distal tibial allograft and Dr. Wong's Halifax Portal technique.

4. RESIDENT TEACHING: APRIL 6TH, 2022

Dr. Wong and his current fellow: Dr. Jose Castillo, will lead an orthopaedic resident teaching session on proximal biceps injuries and treatment options. This will serve as a valuable learning opportunity for residents and other learners in attendance

5. VIRTUAL SPORTS MEDICINE JOURNAL CLUB: APRIL 6TH, 2022 @ 8:00PM ADT

INTERESTING TOPICS IN
ADVANCED KNEE PRESERVATION

VIRTUAL SPORTS MEDICINE JOURNAL CLUB

APRIL 6TH, 2022 | 8:00 PM ADT
VIRTUAL ON YOUTUBE

Please join Dr. Wong and the Dal sports medicine team for our upcoming virtual journal club. The topic of this forum is "Interesting Topics in Advanced Knee Preservation". This forum will be exclusively lead by our three orthopaedic sports medicine fellows and will feature guest moderator Dr. Brendan Sheehan. Each fellow will present a case study and facilitate a discussion period on their topic.

Please tune in on [YouTube](#) to see the case presentations from all 3 fellows and to join in on the discussion! You can use the chat function in YouTube to submit any questions you have for the fellows.

FEATURING SPECIAL GUEST MODERATOR:
DR. BRENDAN SHEEHAN

DR. SHEEHAN IS AN ORTHOPAEDIC SURGEON
WHO SPECIALIZES IN KNEE AND SHOULDER
ARTHROSCOPY IN SAINT JOHN, NEW BRUNSWICK

6. LIVE SURGERY BROADCAST: APRIL 7TH, 2022

Dr. Wong will broadcasting an anatomic arthroscopic glenoid reconstruction surgery live from the OR at the Halifax infirmary while hosting a visiting surgeon. He will be explaining the surgical technique and how the use of interference screws helps complete an efficient repair.
